VISION AND MISSION

Project Joy and Hope (PJH) exists to enhance the quality of life and to prevent and relieve the suffering of children living with life-limiting conditions and their families in the greater Houston area and throughout Texas. PJH serves as an advisor to and role model for similar programs throughout the United States.

Our mission is to promote physical and psychological well-being of children with life-limiting conditions and their families, through community awareness, education, program development and resource development.

Programs and Accomplishments

HOPE HOUSING - a "home away from home" for children who are undergoing treatment for a life-threatening condition, needing palliative care, or recovering from transplant. PJH operates **The Tulip Project**, a residential facility near Beltway 8, to provide a spacious and peaceful haven for medically fragile children and their families.

FAMILY ASSISTANCE GRANTS - helping families throughout Texas whose children require ongoing treatment for serious illness or palliative care. Hospital parking, meals, rental assistance, utilities, out of pocket medication costs, and basic family needs are the focus of this program. Referrals for supportive care services are provided by Texas Children's Hospital, Children's Memorial Hermann Hospital, MD Anderson Pediatric Cancer Center, and area hospices.

HOPE SCHOLARSHIPS - college scholarships for bereaved high school seniors throughout Texas who have experienced the death of an immediate family member. This unique program recognizes outstanding future leaders who have made an exceptional impact through community service despite their own adversity. Over \$500,000 has been awarded to these amazing young Texans since program inception.

PARENT SUPPORT LINE - a 24-hour per day connection for parents caring for a child with a life-threatening condition, offering support and encouragement at this challenging time in the life of a family.

HOPE FOR THE HOLIDAYS - Annual holiday gift program providing joy and hope to families whose children are seriously ill. Corporate and individual contributors adopt families and conduct toy drives for children at local hospitals.

PARENT AGENCY FOR TEXAS PEDIATRIC PALLIATIVE CARE CONSORTIUM (TPPCC) - In 2007, Project Joy and Hope established a statewide collaboration of pediatric palliative care professionals from pediatric hospitals, hospices, and agencies throughout Texas. TPPCC provides outstanding pediatric palliative care continuing education conferences for physicians, nurses, social workers, and other PPC professionals and caregivers. Midwinter conference will be held February 12, 2016 in Fort Worth and Summer Conference is set for July 28-30, 2016 at South Shore Harbour Resort and Conference Center in League City.

VOLUNTEERS ARE THE HEART OF PROJECT JOY AND HOPE.
